Maths – Numbots homework

<u>Task 1 – Maths</u> Representing numbers. Choose 10 2 digit numbers (e.g. 54, 33). Represent the numbers using sticks for tens and stones for ones.	<u>Task 2 – Maths</u> Ordering numbers. Choose ten 2 digit numbers. Order them from smallest to largest.	<u>Task 3 – English</u> Write a recount about something you did in the summer holidays or one weekend. Challenge- Can you include an expanded noun phrase?
<u>Task 4 – English</u> Write a short letter to a friend, teacher, or family member.	<u>Task 5 – RE</u> Write a short prayer for the animals on the Ark. Example, “Dear God, thank you for caring for the animals on Noah’s Ark. Please keep them safe.” Illustrate the prayer with pictures of animals.	<u>Task 6 – RE</u> Create your own Baptismal candle using a simple craft kit (white paper, crayons, glue, and ribbon). Decorate it with symbols like a cross, dove, or water.
<u>Task 7 – History</u> Ask a parent, grandparent, or older family member what school was like when they were a child. Write 3 sentences or draw pictures to show what has changed.	<u>Task 8 – Science</u> Go into your garden or local park and look for 3 different minibeasts. Draw them and write where you found them (under a stone, in the grass, on a leaf).	<u>Task 9 – Art</u> Choose your favourite story character (e.g., Little Red Riding Hood, Gruffalo). Draw them and add a background that shows part of their story.
<u>Task 10 – Computing</u> When you’re out (in the supermarket, library, park), look for IT being used (e.g., barcode scanners, traffic lights, cash machines). Write down or draw 2 examples.	Colour in / tick the activity when you have completed it. You can record homework in your homework book and feel free to stick in photos!
